SAFE SCHOOLS POLICY

The Iron County School Board has adopted a safe schools policy in accordance with Utah Code 53A-11-901. This law was passed to protect students, teachers, and schools; and to ensure students the right to an education in an environment that is safe physically and mentally, and conducive to learning.

We would like all students and parents to be aware of this policy, and are therefore providing a copy for you to carefully read. After you have read it, please return this signature page to your elementary student's teacher, your middle school core teacher, or your high school CCR teacher. Students in grades 6-12 are also asked to sign.
